

CHANCE

Cote d'Ivoire is experiencing a year of low cocoa production, causing the global price of cocoa to go up. As a result, the Cocobod has raised their payment to farmers.

**FOR EACH COCOA
FARM (APPLIES TO ALL
TEAM/PLAYERS)**

USAID
FROM THE AMERICAN PEOPLE

CHANCE

The global price of cocoa has risen making payments to farmers increase.

FOR EACH
COCOA FARM

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Cocobod has come to your community offering free farm rehabilitation. Convert one of your traditional cocoa areas to rehabilitated cocoa for no cost (on abunu areas with documentation).

USAID
FROM THE AMERICAN PEOPLE

CHANCE

The Government of Ghana has received REDD+ payments for reducing deforestation.

FOR EACH SECONDARY FOREST (MFOFO) LAND USE OR SWAMPY FOREST LANDS

FOR EACH UNIT OF ENRICHED SECONDARY FOREST (MFOFO) OR ENRICHED SWAMPY FOREST LANDS

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Ghana has had a terrific harvest of cassava, lowering food prices in the Asankrangwa markets. Celebrate with some fufu!

REGARDLESS
OF LAND USE

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Your town has been able to harvest more crabs and snails than usual in the rivers not contaminated by gold mines. If you don't have a gold mine...

1

FOR EACH SWAMPY
FOREST LAND

2

FOR EACH ENRICHED
SWAMPY FOREST LAND

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Your town's Farmer's Association has received training to establish fish ponds in your community leading to a more nutritious and varied diet.

**REGARDLESS
OF LAND USE**

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Wood prices have soared in the Asankrangwa area, allowing you to profit from any land uses with many timber trees.

2

FOR EACH SECONDARY FOREST (MFOFO)

1

FOR EACH REHABILITATED COCOA FARM

3

FOR EVERY ENRICHED SECONDARY FOREST (MFOFO) OR ENRICHED SWAMPY FOREST LAND

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Heavy rains have caused sediment and heavy metals to pollute your water supply.

2

TOKENS FOR EACH GOLD MINING (GALAMSEY) LAND USE

1

IF THE TEAM/PLAYER TO YOUR LEFT OR RIGHT HAVE A GOLD MINING (GALAMSEY) LAND USE

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Heavy rains have come causing chemicals sprayed on nearby cocoa farms to contaminate drinking water supply.

2

REGARDLESS OF
LAND USE

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Army worm has infested maize crops leading to a food shortage. Those with secondary forests (mfofo) may be able to make up the loss via bushmeat, snails and crabs.

2

IF YOU HAVE NO SECONDARY FOREST (MFOFO) LAND USE OR SWAMPY FOREST LAND

USAID
FROM THE AMERICAN PEOPLE

CHANCE

The Forestry Commission has sent a timber company to harvest naturally occurring timber trees on farms in your community. The company often destroys a portion of the cocoa farm when harvesting.

**FOR EACH NON-
REHABILITATED
COCOA FARM**

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Swollen shoot virus has
infected your farm.

2

FOR EACH COCOA FARM
EACH ROUND UNTIL YOU
REHABILITATE

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Black pod disease has infected your farm.

2

**FOR EACH OLD OR PEAK
TRADITIONAL COCOA FARM**

1

**FOR EACH REHABILITATED
COCOA FARM**

USAID
FROM THE AMERICAN PEOPLE

CHANCE

There have been conflicts between abunu tenants and landowners in nearby communities, which has spread to your community.

**FOR EACH ABUNU
AREA WITHOUT
DOCUMENTATION**

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Gold mining has led to mercury poisoning in your community.

**FOR EACH GOLD MINING
(GALAMSEY) LAND USE
ACROSS ALL TEAMS/PLAYERS**

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Increased tree cover has resulted
in more forest food sources.

2

FOR EACH SECONDARY FOREST
(MFOFO), SWAMPY FOREST LAND,
OR REHABILITATED COCOA.

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Heavy rains have resulted in higher rates of malaria.

2

APPLIES TO ALL
TEAM/PLAYERS

USAID
FROM THE AMERICAN PEOPLE

CHANCE

A land tenure dispute has arisen over your cocoa farm. If you do not have tenure documentation you must pay a lawyer to resolve the dispute.

**FOR EACH COCOA
FARM WITHOUT TENURE
DOCUMENTATION**

USAID
FROM THE AMERICAN PEOPLE

CHANCE

Cocobod is providing scholarships to cocoa farmer children in your community.

**FOR EACH COCOA
FARM THAT HAS TENURE
DOCUMENTATION**
